

CARLISLE

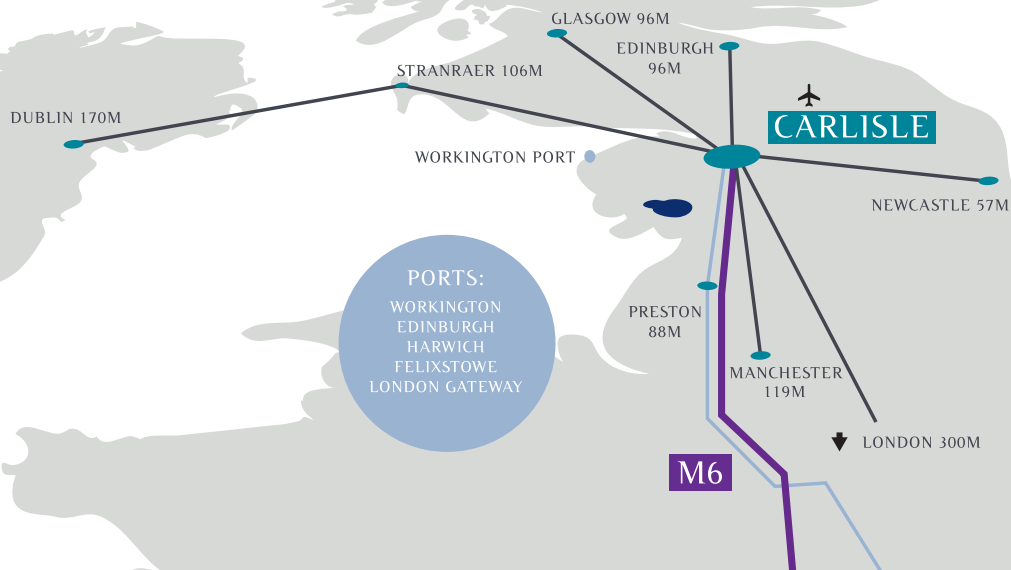

CITY OF THE LAKES

CARLISLE IS A CITY WHERE BUSINESS, EDUCATION AND THE PUBLIC SECTOR SHARE AN AMBITIOUS VIEW OF THE FUTURE

As the economic driver of a huge region, encompassing large parts of Cumbria, southern Scotland and the Lake District, Carlisle is a place with entrepreneurial spirit that is looking to exploit its potential and assets.

Located next to the M6, on the West Coast main line, and with the development of the airport, the city and its region is aiming to further grow its already successful diverse business base, whilst actively encouraging new investment.

CONNECTIVITY

CARLISLE IS A STRATEGIC HUB OF
SIZEABLE AND ECONOMIC IMPORTANCE.

ITS SPHERE OF INFLUENCE TRANSCENDS NATIONAL BOUNDARIES WITH THE LIKES OF GLASGOW, NEWCASTLE AND PRESTON WELL WITHIN TWO HOURS REACH.

The city and region are accessed by three major junctions off the M6 which in itself is increasingly becoming a 'growth spine' within the area. There are excellent routes into Scotland via the A74 (M) and A7, whilst Newcastle and the North East are easily reached by the A69.

Carlisle has excellent rail links to London (3hrs 10mins) going south and Glasgow (60 mins) in the north on the West Coast main line and the Tyne Valley line east to Newcastle. There is also the opportunity to use the world famous Settle to Carlisle rail link over the Pennines to Leeds.

CARLISLE LAKE DISTRICT AIRPORT CONTINUES TO DEVELOP AND GROW AND CAN HANDLE PREARRANGED PRIVATE AND COMMERCIAL FLIGHTS.

Glasgow, Newcastle, Manchester, Liverpool John Lennon and Leeds Bradford airports are all within easy reach.

Carlisle also has a high speed link to the virtual world via Superfast Broadband.
